MD's Message

Casagrand's journey of 18 years has been exemplary in the real estate sector.

The financial year 2022-23 has been extremely gratifying & fulfilling for Casagrand. We closed the financial year by clocking INR 4190Crs of sales. Throughout the year we have launched groundbreaking projects like Casagrand Cloud9, Casagrand Majestica, Casagrand Elysium, Casagrand Aspires, Casagrand Elinor in Chennai, Casagrand Aquene, Casagrand Zaiden & Casagrand Keatsway in Bengaluru. All of the projects were loved by the home buyers.

This year was significant for another reason as we successfully entered Hyderabad Realty market by launching our first project Casagrand Hanford which received tremendous response.

We strongly believe in always giving back to the community. In line with this, Casagrand has been taking efforts to encourage and nurture young sports talents in the country through its flagship program, Casagrand Aspiring Stars. This year, the company extended its support to Nivedha Sreenivasan, a young Indian Kickboxing Champion from Tamil Nadu for her endeavor in WAKO - World Children, Cadets & Juniors Kickboxing Championship 2022, bearing Nivedha's entire travel, her kit and other miscellaneous expenses, as a token of respect & also sponsored the South zone T-20 Cricket championship for the deaf players in collaboration with Deaf EnAbled Foundation.

Having established a strong presence across Chennai, Bengaluru, Coimbatore & Hyderabad, we are planning to enter Pune & Dubai residential market and further set up sales offices in Singapore and USA. We are humble to receive many prestigious awards this year. Casagrand was tributed as the most trusted builder in South India by News18 TamilNadu & was given the Best Lifestyle Developer award by Asia Property Awards which took place in Bangkok, Thailand, Exchange4media conferred Casagrand as "Pride of India Brands" - South India edition. Besides our several projects won many other significant awards throughout the year.

We are known for its people-centric approach and employee friendly policies and over the years, have established unyielding convictions with its workforce by extending remarkable employee engagement policies and measures. With people-first philosophy at its heart, the company has carried out an impressive initiative – Profit share Bonanza, to celebrate the achievement of employees for achieving the sales target of the year. Through this initiative, the company organized a Switzerland trip for its employees.

This year, we also launched Employee Home Option scheme, wherein the employees can purchase a superior home with world-class facilities and features at cost. Moreover, as the organization heads towards IPO, Casagrand has developed/enabled ESOP — Employee stock option plan which makes their employees shareholders in the company. Most importantly throughout the years, we hired many employees for different verticals and positions. As we are stepping into a new financial year, we are extremely excited to create new milestones and proud moments.
